Old Biz

Some of our officer's were finally able to meet with Larry Hostettler with our fundraised donation for Sierra Vista. He was unaware what we had made and was very appreciative. Next year we are hoping to adopt a family for Christmas but we found out about the program too late to coordinate this year. We did gather a few things (coats, books, toys) to take over to Sierra Vista in general.

Larry will let us know when they will be holding the ribbon cutting on their newest Merced facility early 2007.

New 212 Events & Business

If you were not at the meeting for elections please remember to congratulate our new President, Jack Daniel, our new V.P. Jim-Bill Cecil, new Ride Captains Doug DeGraff and Jerry Takken, new LOS Kristen Ferling, new Historian/Shepard Michael (Woody) Wellman and new Vet Rep Tom Taylor. The remaining officers, Tail Gunners Mark and Chris, Treasurer Jacquie and Secretary Janet just stayed on the train.

January 1st is our annual Polar Bear Run, weather pending. As I am writing on the 31st, it looks GOOD! We will meet at M&M at 9 AM where Janice or Billy Rinehart will lead us over to their place for breakfast. Once we have warmed up from the first leg of our morning trip we'll be off towards Sonora. Once we hit snow, and the 'kids' play a bit, we'll head back home.

Please, remember your ride waivers for this trip. They will need to be on file before we take off. I will have a few blanks with me for those that forget. You will need your insurance information so remember to bring it along. Also, please have your membership card handy. I still need to confirm a few people.

Jack and Jim would like to start the year off with INFORMATION. We will be having our January meeting at Smokie's in Hilmar on the 13th. The time will be posted later. There will be Ride Rules to go over and new ideas to discuss. We would like to receive suggestions from everyone. If you've an idea for a ride or event, fundraiser, anything; we'd like to hear it.

Upcoming Rides and Events:

Star B Q 2007 is set at the Nugget, June 8 & 9. Chapter 212 is again in charge of coordinating security.

April 2007 Laughlin – keep it in mind. Jim is planning on going again.
