

STAR TOURING CHAPTER 212  
CHAPTER MEETING @ The S. Daniel home  
Winton, December 8, 2007

Well, it was a party! The turnout was even better than last months. We had 34 members, including 5 Star kids and teens plus 8 guests including 2 kids. Possibly some new members?

#### Old Business

No old business to discuss.

No treasurer's report

#### New Business

New Ride waivers were completed and collected. Elections were held.

Website fees are due. We need to add a photo upload service, only about \$12/yr additional, instead of having several outside hosted sites where our pictures are currently being posted. We also need a pre-paid card to pay the fees, or to get our checking account set up.

#### Elections!

The Nominations were:

President - Jack Daniel  
Secretary - ~~Janet Bernard~~ (YAY! Thanks Cheryl!) Cheryl Miller (elected)  
Treasurer – Jacquie Michael  
Road Captain – Doug DeGraff (p), Jerry Takken (b)  
Tail Gunner – Chris Garnish (p), Mark Bernard (b)  
Historian – Ken Hilberg  
Shepherd – Woody Wellman  
LOS – Kristen Ferling  
Vet Rep – Ken Ferling  
Webmaster – Janet Bernard (elected), Joe Gaestel  
(p-primary b-backup)

A quick officers meeting was held to discuss our upcoming rides and events for the year, mainly our annual Troop/vet support run. Look into buying flags; talk to city, county and state authorities to see what help we can get; no BBQ after, just drinks. The decision was made to concentrate on safety rather than feeding the masses, with an expected 160+ bikes this year. Planning the possibility of breaking up into 4 groups if no escort available. Mark was asked if he could get the flier ready by January 12 meeting.

#### A personal note:

Thank you to everyone for making me feel so needed. I decided to step down for the year to have a little more time for my family, myself and my health. I will be able to get more involved with the website, to make it better for all of us. Give me your ideas!

Please, remember to contact me, or any other officer, if there's something you feel needs to be posted! And send me your items for sale.

#### Upcoming Rides and Events:
